- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;

## APPENDIX A

BSDRA does not require teams to lodge damage deposits prior to racing. This is because of the increasing difficulties in issuing cheques. The following system will therefore apply. By entering the Championships, teams and Member Schools expressly agree to follow and comply with this system without delay or dispute.

- A.1. Each team is liable for up to £200 of damage costs per racing incident.
- A.2. Any decision on liability or the quantum of any damage is solely for the Organising Authority to determine. The decision of the Organising Authority is final and teams and competitors agree to accept it without dispute.
- A.3. In the event that a team is assessed liable for damage costs, and these are not paid at the event, BSDRA will issue a damage notice and invoice to the Member School. Invoices must be paid (without set off or deduction) within 14 days unless an extension is agreed with the Organising Authority.
- A.4. In the event of damage occurring, the Race Committee may require a payment from the team at the event to be made towards the damage costs. Teams shall make any such payment when required to do so.
- A.5. Failure to comply with a damage notice within 14 days (or any extension period) is a breach of this Appendix and the Organising Authority may
  - (a) disqualify the team in question without a hearing;
  - (b) disqualify any other teams from that relevant Member School without a hearing;
  - (c) re-allocate any qualification places immediately to other teams.
- A.6. The Organising Authority may amend or cancel a damage notice at any time and may reinstate a team disqualified.
- A.7. Teams must also be aware that if a damage notice is not complied with, the Member School in question will not be in good standing with BSDRA and will have its membership rights (including the right to compete at BSDRA events) suspended.

The BSDRA Committee wishes to make clear that any failure to comply with the damage system will be regarded extremely seriously by the Committee. This system is used to help Member School and the increasing difficulty of obtaining deposits from their finance departments. If the trust involved in this system is abused, the Committee will take the necessary action to exclude the offending school from future participation until all debts are paid.
